Experience

Yong Soon Min Art Estate / Assistant

April - Ongoing 2024, Los Angeles, CA

- Managing artworks to catalog and store for future legacy exhibitions.
- Research in restoring artworks, for future exhibitions, and building a comprehensive insight of the artist's legacy.
- Logistical arrangements for exhibitions or acquisitions.

Scripps College / Lincoln Fellowship

August - December 2023, Claremont, CA

- Maintaining the ceramic studio so it remains clean and constantly making materials such as clay, englobes, underglaze, overglaze, and such so they remain in stock.
- Helping students with their projects by assisting their needs and loading, firing, and unloading the kiln regularly.

Scripps College / Teacher Assistant

January - May 2023, Claremont, CA

- Course title: Beauty & Abject: Race/Gender/Art.
- Assisted the professor in technical aspects such as setting up lectures or advising students with creating artwork.
- Helped with the discussions regarding nuanced and hot topics such as colonialism, post-colonialism, beauty vs. abject, the reevaluation of gender in modernity to broaden the student's understanding of contemporary art.

Claremont Graduate University / Printing Lab Assistant

August 2022 - Present, Claremont, CA

- Ran the print lab by maintaining the equipment and checking inventory.
- Edited and printed student work and the department requests.

UK Creative Art Centres / Job English Teacher

March 2022 - July 2022, Seoul, South Korea

- Responsible for teaching Koreans students aiming to study art in the UK to improve their IELTS score, especially in speaking.
- Made lesson plans for the students focusing on improving their conversation abilities and confidence and working on basics such as grammar.

University of La Verne / Teaching Assistant

August - December 2020, Claremont, CA

- Course Title: Painting II: Advanced Painting
- Guided undergraduates in their graduation projects technically and conceptually while they were developing their works and also in critiques once they completed their works.
- Assisted in course preparation and research in lieu of the professor.

Koommi Kindergarten / English Teacher

2017 - 2018, Yongin, South Korea

- Preparing lesson plans implementing art so that the children enjoy learning and making sure they engage with enthusiasm.
- Along with co-workers, managing the student and parent network constantly.

Eagle Christian School / Middle School Art Club Teacher

2016, Sunghnam, South Korea

- Teaching students art to introduce the multidisciplinary aspect of art so the students may discover their unique creative inclinations through various activities.
- Created lesson plans focused on introducing diverse subject matters so they may develop interdisciplinary ideas.
- Acted as a guide in other school activities, and taught the students art in museum activities.
